Woman Changed Her Mind.

Harry Williams and Miss Marie Terreau, a winsome brunette, were standing before a clergyman in Shreveport, La., for the purpose of being married Saturday, when it was found that Williams had made a mistake in the spelling of Miss Terreau's name in the marriage license. Williams took the certificate to the clerk of the court for correction. Miss Terreau was chagrined at the interruption of the wedding, and believing it to be an omen of ill-luck, exercised a woman's privilege and changed her mind. When Williams returned she told him she had decided not to become his wife, but the wife of James Strothers, who had been his rival. Strothers made no mistake in his license, and is a happy bridegroom.

Salesman Murdered.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Trouble of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys, as well, have their controlling or inside nerves. Weakness these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative sold by E. S. Leadbeater & Sons.

Would Photograph Soul.

Henry Price, a retired professor of music, of Mount Vernon, N. Y., believes he has discovered a process of photographing the soul, and he is trying to obtain permission from the authorities at Bellevue Hospital to make experiments there. His plan is to photograph the soul as it departs from the body with a number of quick kodaks. It would be impossible, he says, to hypnotize the body, as it records many things not visible to the naked eye. Price is opposed to trying his experiments on convicts executed at Sing Sing prison, because he says that in his opinion the strong electric current would kill the soul. As yet the authorities have not taken up the experiment.
